**T/O & E CHANGE REQUEST**

NAVMC 11355 (1-00)

SN: 0109-LF-071-0000

Ref: MCO P5311.1C

**Complete a Separate Change Request for EACH T/O & E**

Date: 4 Feb 2004

**T/O & E TO BE MODIFIED (List both T/O and T/E Number)**

N3790

**UNIT IDENTIFICATION CODE (UIC) OF UNIT**

M27131

**ACTIVITY ADDRESS CODE (AAC) OF UNIT**

M27131

**DOES THIS CHANGE IMPACT UNIT MISSION?** Yes IF YES, EXPLAIN BELOW. (Provide brief narrative of change and attach revised mission statement to this request.) T/E reduced from 11 to 5 drastically reduces the ability for TSB to provide on/off load of 20 ft shipping containers in support of the MEF. Recent experiences during OIF demonstrate a need to provide container handling at multiple locations in support of the MEF. The 11 B0391s possessed by this unit during OIF were in critically short supply and were a considered high value/critical vulnerability by the MEF and MARFOR Commanders. The 11 B0391s on hand for OIF I were insufficient for the demand. A 55 percent reduction in container handling capability drastically reduces the flexibility needed within the FSSG and further hinders our ability to provide battlefield distribution capability to the entire MAGTF throughout an expanded AOR. \*NOTE: In Allowance Quantity, the section ON-HAND reflects 9 due to the 2 that went WIR in OIF.

**DOES THIS CHANGE IMPACT BILLET REQUIREMENTS?** No IF YES, COMPLETE BELOW. (List current billet line detail information, then proposed detailed changes per codes listed in the T/MR users manual. Identify compensation by T/O and line number only. Repeat for every line change desired. Information may be attached as a spreadsheet, modified electronic copy of the T/O, or inserted into this area of the form. At a minimum, the following elements must be included.)

LNNR	BILLET DESCRIPTION	GRADE	MOS	BILLET STATUS	QTY	MCC	RUC	COMPENSATION

**DOES THIS CHANGE IMPACT EQUIPMENT ALLOWANCES?** Yes IF YES, EXPLAIN BELOW. (Repeat the item description and all information required below for each item.)

**ITEM DESCRIPTION:** (Repeat the item description and all information provided below for each item.)

ALLOWANCE QUANTITY					
TAMCN (Complete TAMCN required to include Supply Class)	NSN	NOMENCLATURE (Complete Nomenclature to include Model Number)	AUTHORIZED	ON-HAND	RECOMMENDED
B0391	3930-01-082-3758	Container Handler, RT, 50K LB	5	9	11

**JUSTIFICATION**

(Justification must be detailed enough to specify the change to unit doctrine, mission, organization, concept of employment, or demonstrated deficiency of present T/O & E necessitating change request. Each billet or item change must be addressed in the narrative.)

DURING PORT AND FOLLOW ON COMBAT OPERATIONS IN SUPPORT OF OPERATION IRAQI FREEDOM (OIF), 2D TRANSPORTATION SUPPORT BATTALION (TSB) MOVED OVER 9,000 TWENTY-FOOT CONTAINERS. IN ADDITION TO ALL MPF RTCH ASSETS, THE 11 RTCH ASSETS RESIDENT IN 2ND FSSG WERE EMPLOYED CONTINUOUSLY ACROSS THE BATTLESPACE IN SUPPORT OF THE MLC AND I MEF. ACROSS THE BOARD, CONTAINER HANDLING EQUIPMENT RESOURCES WERE A SCARCE ASSET AND BECAME CRITICAL TO SUPPORTING THE SUSTAINMENT OF THE RAPIDLY ADVANCING MEF. T/E (N3790) REDUCES THE NUMBER OF RTCH ASSETS RESIDENT IN 2ND FSSG FROM 11 TO 5, REFLECTING AN UNVALIDATED CHANGE. THIS REDUCTION WILL NOT ONLY INHIBIT 2ND FSSG'S ABILITY TO SUPPORT II MEF TRAINING AND GARRISON OPERATIONS, BUT WILL PRECLUDE 2ND FSSG'S ABILITY TO EFFECTIVELY PERFORM BATTLEFIELD DISTRIBUTION OPERATIONS DURING CONTINGENCY OPERATIONS. 3D FSSG ORIGINALLY PROTESTED THE REDUCTION IN B0391S AND HAS RETAINED 8 OF THEIR ORIGINAL 11 RTCHS. COORDINATION ACROSS ALL FSSGS SUPPORTS MIRROR IMAGE T/ES WITH 11 B0391S AS AN APPROPRIATE ON-HAND QUANTITY. WHILE 3D FSSG CURRENTLY HAS 8 ON HAND, 1<sup>ST</sup> FSSG

NAVMC 11355 (1-00)

(Justification continued)

HAS 10 B0391S ON HAND, WITH ONLY 5 IN 1<sup>ST</sup> TSB/CSSG11. COORDINATION WITH 1<sup>ST</sup> FSSG SUPPORTS THE NEED FOR AT LEAST 11 RTCHS IN EACH FSSG. DUE TO ORGANIZATIONAL DIFFERENCES BETWEEN THE FSSGS, THIS WILL MEAN 5 RTCHS IN 1<sup>ST</sup> TSB (TOTAL OF 11 IN 1<sup>ST</sup> FSSG), 11 IN 2D TSB (TOTAL OF 11 IN 2D FSSG), AND 8 IN 3D TSB (TOTAL OF 8 IN 3D FSSG), THUS PROVIDING LIKE CAPABILITY ACROSS EACH FSSG.

## Loving, Traycie A GYSGT MCCDC

**From:** Mayfield, Allen R MMO 2nd Transportation Support Bn  
**Sent:** Friday, January 30, 2004 11:59 AM  
**To:** Lopez MSgt Ventura  
**Cc:** Howell CWO5 Kevin J; Booth, Stefan J Maj MCCDC; Merle, Robert P Systems Analyst TFS Division; Merle, Robert P CIV MCCDC; Loving, Traycie A CSS Branch Equipment Analyst TFS Division  
**Subject:** B0391 MOA  
**Importance:** High

Kevin / Top,

This is just from the FSSG stand point and after talking to Maj Booth up at MCCDC this MOA needs to span the MEF. (see attachment)

Below are the old and new B0391 totals for each MEF.

With that said - the attached MOA needs to be changed to read MEF (confirmed) numbers vise TSB / Group.

<u>I MEF</u>	<u>II MEF</u>	<u>III MEF</u>	<u>MARFORRES</u>
old T/E - 20 new T/E - 9	old T/E - 19 new T/E - 9	old T/E - 14 new T/E - 8	old T/E - 8 new T/E - 3

Top, Monday at 0900, CWO5 Howell and I will be at your office to get this ball rolling forward. Let me know if you cant / wont be there.

Engineers Up !  
Gunner

**Cc:** Wells MSgt Torry L; Pettis Maj Bernard  
**Subject:** FW: B0391 MOA  
**Importance:** High

GySgt Rayburn,

1st FSSG concurs with 2d FSSG's MOA. T/E should be modified to reflect previous B0391 allowance of 11. In the last few sentences, the MOA starts to confuse things as a result of our expeditionary template. Technically, the entire allowance of RTCHs falls under 1st TSB T/E, however, 1st FSSG has command adjusted some of these RTCHs to BSSG-1 and CSSB-10. Recommend rewording last few sentences to read:

WHILE 3D FSSG CURRENTLY HAS 8 ON HAND, 1<sup>ST</sup> FSSG HAS 10 B0391S ON HAND. COORDINATION WITH 1<sup>ST</sup> FSSG SUPPORTS THE NEED FOR AT LEAST 11 RTCHS IN EACH FSSG. DUE TO ORGANIZATIONAL DIFFERENCES BETWEEN THE FSSGS, THIS WILL MEAN 11 RTCHS IN 1ST TSB, 11 IN 2D TSB, AND 8 IN 3D TSB, THUS PROVIDING LIKE CAPABILITY ACROSS EACH FSSG.

S/F,  
Maj Jeff Reagan  
Deputy G-4, 1st FSSG

Gentlemen,

First, I won't make any excuses as to why you received this so late. It sat in my inbox for a couple of days before I opened it.

With that, request this information be passed to the appropriate SME for review and comment. If concurrence or non-concurrence to the attached document could be received by 23 Feb 04, it would be greatly appreciated. I apologize for the short fuse.
